FREE ONLINE LEARNING

Essential Digital Skills

LEVEL 1

Who is this course for?

This course is designed to help support your development with digital literacy skills, encouraging progression into roles where digital literacy is required. Our qualifications have been developed to provide learners with the best opportunity to enhance their success in employment across a range of sectors.

Topics include:

- How to use devices and handle data
- Managing and storing information using digital devices
- Digital communication methods
- How to be safe and responsible online
- Online transactional services and how to use them safely

How is the course delivered?

All of these courses are completed via our online learning platform supported with interactive resources and webinars to cover the key topics where you can interact with a tutor and your peers. You will be supported throughout by one of our tutors who will review your progress.
