

Complaints Policy and Procedure

Policy Summary

Babington's Complaints Policy provides the framework within which anyone who is dissatisfied with the organisation can raise their concerns. The framework also assists staff to effectively deal with complaints from learners, parents, customers, employers, contractors, visitors and other interested parties.

Informal Stage

It is recognised that some expressions of dissatisfaction may be raised informally and, where possible, should be dealt with at the earliest opportunity. Any expression of dissatisfaction should be raised directly with the relevant Tutor, Trainer, Coach, Manager, Business Partner or alternative Babington contact.

Any such concerns should be raised promptly and directly so that we are able to resolve any issues presented as quickly and effectively as possible.

If concerns are not satisfactorily resolved in this way complainants should follow Babington's formal complaints process as outlined below.

Formal Stage

The formal procedure is intended to ensure that all complaints are handled fairly, consistently and wherever possible resolved to the complainant's satisfaction.

Responsibility of the Complainant

If the complaint is not resolved at the informal stage, or the complainant does not wish to follow the informal complaint process, they should:

-  Communicate their complaint in writing to customersupport@babington.co.uk. To speak to someone in person about a complaint please contact the Customer Support Team by calling 0333 323 4050.
-  Bring their complaint to the attention of Babington within 12 weeks of the incident occurring.
-  Explain the concern as clearly and as fully as possible, including any action taken to date.

Responsibility of Babington

Babington welcomes feedback to enable us to improve our services. We will respond to any dissatisfaction with our services fairly and promptly.

-  Complainants will receive an initial response within 48 hours of receipt of a formal complaint
-  Complaints will be investigated, and a response/solution provided within 10 working days.
-  A further, more detailed response will be sent on conclusion of a full investigation, if relevant.
-  Complainants may be offered a meeting with the parties involved, if appropriate.
-  The Customer Support Team will log all informal and formal complaints on a central log. These will be retained for a period of 2 years following resolution and closure of the complaint at which point all information relating to the complaint will be deleted.

Appeals and Escalation Process

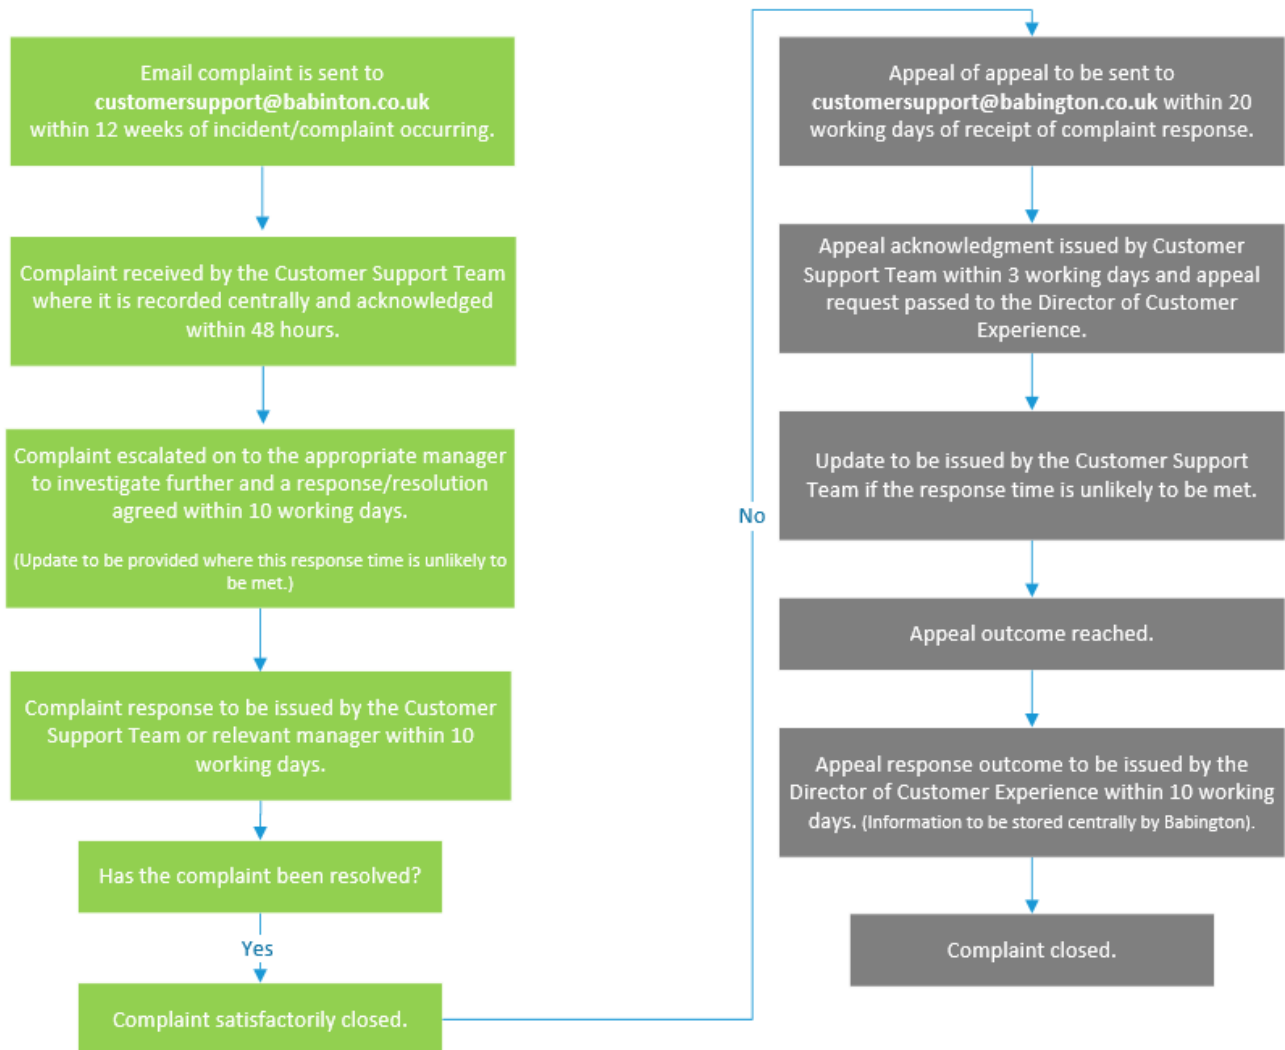

- Complainants may appeal to the Director of Customer Experience if they are dissatisfied with the outcome of the complaint. Appeals must be submitted within 20 working days from receipt of the complaint response.
- In the event complainants are still not fully satisfied with the outcome or the handling of a complaint, they can refer their complaint to the relevant Awarding Organisation, End Point Assessment Organisation, Ofqual, National Skills Academy for Rail (NSAR) and the Institute for Apprenticeships and Technical Education who are the relevant qualification regulators. Babington will provide contact details of the relevant body upon request. For example this may be the Education and Skills Funding Agency (ESFA) whose complaints process can be found at <https://www.gov.uk/government/publications/complaints-about-post-16-education-and-training-provision-funded-by-esfa>

Confidentiality

Babington will keep complainants informed of progress with their complaint. Where an investigation is required, information may be shared with other Babington staff members or external third parties. Before sharing any information, we would inform the complainant of this, unless there were exceptional circumstances, for example, where doing so could pose a risk of harm to themselves or others.

In the case of young people under the age of 18 raising a complaint, depending on the nature of the complaint, we may be obliged to inform a parent/guardian.
