

AAT Diploma in Accounting

SCQF LEVEL 7 MODERN APPRENTICESHIP

 22 Month Programme

Designed to provide students with the specialist knowledge and skills required for progression in an accounting or finance role.

Introduction to the course

Following on from the AAT Certificate in Accounting SCQF Level 6, this qualification provides learners with more complex accounting disciplines including financial processes, advanced bookkeeping, final accounts and ethical practices for accountants.

Learner outcomes

The AAT Diploma in Accounting covers a range of complex accounting tasks, including maintaining cost accounting records and the preparation of reports and returns. It comprises four mandatory units:

- Business Awareness
- Financial Accounting: Preparing Financial Statements
- Management Accounting Techniques
- Tax Processes for Business

Assessment

Units are assessed individually in end-of unit assessments, but this qualification also includes a synoptic assessment that students sat towards the end of the qualification. The synoptic assessment draws on and assesses knowledge and understanding from across the qualification.

A good fit for

The AAT Diploma in Accounting offers technical training in accounting and is ideal for anyone wishing to pursue a career in accountancy and finance.

What's next?

The accountancy skills developed by studying this qualification will enable you to seek employment with confidence, and/or to progress to the next level of learning.
