

AAT Diploma in Professional Accounting

SCQF LEVEL 8 MODERN APPRENTICESHIP

 22 Month Programme

Covering high-level accounting and finance topics and tasks, the AAT Professional Diploma in Accounting maximises opportunities for employment within a wide accountancy context.

Introduction to the course

The AAT Diploma in Professional Accounting has been designed to enhance the skills developed from the AAT Diploma in Accounting, enabling students to maximise opportunities in their current or new employment. By studying for this qualification, learners will acquire professional accountancy and finance skills that will be useful throughout their careers.

Learner outcomes

In this qualification you will cover higher accounting tasks including drafting financial statements, managing budgets and evaluating financial performance, as well as optional specialist units including business tax, personal tax, external auditing and credit management and cash and financial management.

- Applied Management Accounting
- Drafting and Interpreting Financial Statements
- Internal Accounting Systems and Controls

Including two Optional Units from the following:

- Business Tax
- Personal Tax
- Audit and Assurance
- Cash and Financial Management
- Credit and Debt Management

Assessment

Units are assessed individually in end-of unit assessments, but this qualification also includes a synoptic assessment that students sat towards the end of the qualification. The synoptic assessment draws on and assesses knowledge and understanding from across the qualification.

A good fit for

This qualification will suit those who would like to go on to become an AAT full member and/or study for chartered accountant status.

What's next?

If you successfully complete this qualification and fulfil our work experience requirements, you can apply for AAT full membership and achieve professional MAAT status.
