

Coaching Professional

LEVEL 5

14 Month Programme + EPA

A level 5 apprenticeship designed to support Coaching Professionals in moving towards advanced level theories which can be applied to their role.

Introduction to the course

This apprenticeship equips learners with the knowledge and skills to be able to coach others in a non-directive manner, helping people to learn through deep listening and reflective, open questions rather than instructing, giving advice, or making suggestions.

Learner outcomes

This apprenticeship builds coaching techniques such as listening and questioning skills, encouraging self awareness and emotional and social intelligence through a range of topics such as:

- Core Coaching
- Intermediate Coaching
- Advanced Coaching
- Further Coaching
- EPA Preparation

Assessment

Learners will be assessed through on-programme learning and an externally marked End-Point Assessment, which will include of an observation, an interview supported by portfolio of evidence and a knowledge test.

Apprentices will need to complete Level 2 English and Mathematics before taking their final assessment.

A good fit for

Individuals that work with groups and teams, looking to increase collective awareness and increase accountability associated with making positive change within business environments.

What's next?

Learners have a multitude of progression routes available to them following the completion of the Apprenticeship.

Learners who complete this apprenticeship with Babington are recommended for an EMCC Global Individual Accreditation (EIA) on completion.

Learners also have the choice to apply for additional industry accreditation with the European Mentoring and Coaching Council for Accredited Coaching Practitioner
