

Retail Sales Professional

SCQF LEVEL 6 MODERN APPRENTICESHIP

 11 Month Programme

This qualification is designed to give learners the knowledge and skills needed for career progression within the retail sector.

Introduction to the course

The Retail Sales Professional at SCQF level 6 allows learners to demonstrate competence in job-related skills in their particular area of work and expertise.

Learner outcomes

This qualification covers areas such as customer service, stock management and leadership. The wide range of optional units reflects the diversity of the sector and the multi-channel nature of the modern retail business.

Assessment

Assessment is through performance in the workplace and will be based on performance evidence, i.e. observation (in person, video recordings) and work products generated by the candidate (word-processed documents, letters, spreadsheets, receipts, e-mail correspondence, database reports, graphic elements, etc.). The specific evidence produced will depend on the choice of optional units.

A good fit for

Learners who wish to pursue a career in retail or individuals who are currently in employment and who wish to obtain a formal qualification or to support continuing professional development.

What's next?

Upon successful completion, learners will gain a recognised qualification which guarantees that they have the skills, knowledge, and abilities required to carry out their role successfully and proficiently.
