Learner outcomes

This qualification covers areas such as health and safety, teamwork, customer service and sales. There are a wide range of optional units reflecting the diversity of the sector and the multi-channel nature of the modern retail business.

Assessment

Assessment is through performance in the workplace and will be based on performance evidence, i.e. observation (in person, video recordings) and work products generated by the candidate (word-processed documents, letters, spreadsheets, receipts, e-mail correspondence, database reports, graphic elements, etc.). The specific evidence produced will depend on the choice of optional units.
