

# Coaching Professional

## LEVEL 5

### 14 Month Programme + EPA

A Level 5 apprenticeship designed to support Coaching Professionals in moving towards advanced level theories which can be applied to their role.

### Introduction to the course

This apprenticeship equips learners with the knowledge and skills to be able to coach others in a non-directive manner, helping people to learn through deep listening and reflective, open questions rather than instructing, giving advice, or making suggestions.

Apprentices will complete e-learning topics that will enable them to build on their existing knowledge and develop their understanding of relevant coaching theories and models. These will include a range of activities that are in-built such as knowledge checks and reflective learning tasks that will be assessed by skills coaches.

Virtual classrooms will enable them to broaden this knowledge and apply it in a simulated environment.

### Learner outcomes

This apprenticeship builds coaching techniques such as listening and questioning skills, encouraging self awareness and emotional and social intelligence through a range of topics such as:

- Core Coaching
- Intermediate Coaching
- Advanced Coaching
- Further Coaching
- EPA Preparation

Learners also have the opportunity to attend up to 3 Coach Camps where they can practice coaching in a safe space with other like-minded coaches, receive valuable coach supervision and feedback which increases ability to model excellence.

### Assessment

Learners will be assessed through on-programme learning and an externally marked End-Point Assessment, which will include of an observation, an interview supported by portfolio of evidence and a knowledge test.

### A good fit for

Individuals that work with groups and teams, looking to increase collective awareness and increase accountability associated with making positive change within business environments.

### What's next?

Learners have a multitude of progression routes available to them following the completion of the Apprenticeship.

Learners who complete this apprenticeship with Babington are recommended for an EMCC Global Individual Accreditation (EIA) on completion.

Learners also have the choice to apply for additional industry accreditation with the European Mentoring and Coaching Council for Accredited Coaching Practitioner.
